

In the framework of the implementation of the "Interreg MED" transnational cooperation programme for 2014-2020, the Provence-Alpes-Côte d'Azur Region recruits within the Project Unit of the Joint Secretariat a:

Project evaluation and monitoring officer – “Low carbon economy” thematic referent
Reference JM/4163-DAG-SC.01.2016

Main tasks: Under the responsibility of the Interreg MED Joint Secretariat (JS) Coordinator and of the Project Unit responsible, he or she will give information concerning the Interreg MED Programme activities and advice to project applicants. He or she will evaluate the project proposals and will help the Programme authorities with the selection of the proposals. Furthermore, he or she will ensure the implementation and a good monitoring of the projects selected (under the responsibility of the Programme authorities). He or she will equally contribute to a qualitative analysis and capitalisation of the Programme projects and will ensure a thematic follow-up of an objective/axis of the Programme ("Low carbon economy" theme). Project evaluation and monitoring officer will coordinate the projects and working groups and will contribute to the specific activities carried out in the framework of the Programme's governance.

Profile: The candidate must hold a postgraduate degree preferably in International Relations, European Affairs, legal affairs or similar and have at least a 6 years professional experience in the field of selection/monitoring/implementation of European projects, in particular including EU funds. He/she should equally have a good knowledge of the Interreg MED Programme Priority Axis 2 thematic: "Low carbon economy". He/she will be perfectly fluent in French or in English, have a good knowledge of the other language both written and oral, and have good knowledge of at least one other Programme language.

He / she will be integrated to the Joint Secretariat, transnational body hosted by the Region Provence-Alpes-Côte d'Azur, whose main mission is the management of transnational coordination, animation and promotion of the Interreg MED Programme in collaboration with the Managing Authority.

Frequent trips abroad are to be expected.

Based in Marseille.

Duration of the contract: 3 years (extendable)
